

Associate Finance (m/f/d)

The **Motherson Group** is one of the 15 largest and sustainable full system solutions providers to the global automotive industry, serving multiple further industries, such as rolling stock, aerospace, medical, IT, and logistics, with over 190,000 employees across 44 countries worldwide. The **Chairman's Office Europe and North Africa (COE)** is supporting and coordinating our operating units, R&D centres, and representative offices across Europe and North Africa with corporate functions and services. Given our fast growth, we are constantly looking for talented new colleagues to become part of our team.

We are looking for a proactive and detailoriented **Associate**, **Finance** to join our corporate finance team in Amsterdam. This role involves managing financial operations for holding companies, including bookkeeping, period-end closures, and intercompany transactions. You will also support group reporting and consolidation processes.

Success in this role requires strong collaboration, ownership, and adaptability across global teams and jurisdictions.

Your tasks.

- Review accounting entries submitted by shared service centers and ensure accurate closings for entities involved in external and intercompany financing, including cash pool activities.
- Monitor ledger accuracy and support the preparation of statutory financial statements.
- Oversee invoice processing and approval workflows, ensuring timely payments and compliance with contractual terms.
- Manage internal expense recharges across the group and follow up on outstanding receivables.
- Perform monthly intercompany reconciliations and confirmations, resolving discrepancies and maintaining accurate balances.
- Reconcile bank accounts and cash pool

What we offer.

We provide a pleasant working atmosphere in a new and modern working environment with good career opportunities. You will get to know exciting and varied assignments working closely to management levels of Motherson.

Profit from our flexible working hours, attractive social benefits and company pension schemes and much more in a globally growing company.

We show our commitment to our people via the following values:

- Interest for each other: We act with empathy and care about each other and about our counterparts.
- **Togetherness:** We work together collaboratively and selflessly.
- Trust: Hard to gain and easy to lose, therefore we say what we mean, keep our promises and treat others with respect.
- **Respect:** We respect and value people of all backgrounds. Respect is a common ground we work with each other.
- Enthusiasm: We are curious, ambitious, passionate, humble and life-long eagerly learners.

- transactions to ensure financial integrity.
- Support VAT and corporate income tax filings in collaboration with external consultants.
- Act as the main point of contact for external audits and maintain up-to-date financial documentation.
- Contribute to monthly and quarterly group reporting activities.
- Submit financial data for consolidation in Oracle FCCS and assist with intercompany eliminations and financial schedules.

Your profile.

- Bachelor or Master's Degree in Finance, Accounting, or related field
- Several years in accounting, controlling, or audit
- Experience with holding companies or treasury operations preferred
- Familiarity with loans, interest accruals, and cash pooling
- Exposure to group reporting and consolidation
- Strong grasp of accounting principles and closing cycles
- Detail-oriented with high-quality output
- Effective communicator across cultures and time zones
- Proactive and adaptable to changing needs
- Fluent in English, other languages would be a plus
- SAP (ERP), Oracle FCCS, Microsoft Excel
