

Associate HR Operations (m/f/d) - regional HR Team

At Mother'son, we're committed to creating long-term jobs and advancing global careers. Featured on TIME's World's Best Companies list, we are a diversified global design, engineering, manufacturing, assembly and logistics specialist, delivering full-system solutions to customers across industries. With a focus on innovation, quality and sustainability, we strive to be a trusted industrialisation partner and an employer that nurtures a diverse, inclusive workplace.

Our global and regional headquarters act as key hubs connecting teams, businesses, and markets worldwide, supporting Mother'son's global operations and growth. These centres enable collaboration, facilitate informed decision-making, and provide the foundation for our diverse businesses. Join us to work in a dynamic global environment where your contribution plays a meaningful role in Mother'son's continued growth.

Your tasks.

- Provide supporting contributions to Compensation & Benefits-related topics, such as data preparation, administrative support, and analytical input
- Assist the preparation, maintenance, and continuous enhancement of HR reports, dashboards, presentations, and data analyses, ensuring transparency, data quality, and consistency
- Provide analytical and organizational support throughout recurring HR cycles and initiatives, including the preparation of analyses, documentation, and decision support materials for internal stakeholders
- Contribute to the handling of insurance-related HR topics, including coordination, documentation, and follow-up with internal and external stakeholders
- Support the drafting, revision, and maintenance of HR guidelines, process descriptions, and other internal documentation to ensure clarity, compliance, and standardization
- Support HR Operations-related projects and continuous process improvement initiatives,

What we offer.

The team is growing at the same time our Group grows. Therefore there are many opportunities for you to grow with us!

You will work in a flexible working environment within a multinational team and in contact with all management levels of Mother'son.

We show our commitment to our people via the following values:

- **Interest for each other:** We act with empathy and care about each other and about our counterparts.
- **Togetherness:** We work together collaboratively and selflessly.
- **Trust:** It is a given from Day 1, but if you mistreat someone, you can lose it. Therefore we say what we mean, keep our promises and treat others with respect.
- **Respect:** We respect and value people of all backgrounds. Respect is a common ground we work with each other.
- **Enthusiasm:** We are curious, ambitious,

including coordination of activities, structured tracking, and alignment with relevant stakeholders

- Act as a reliable interface between HR functional teams, HR Operations and other internal stakeholders, ensuring clear communication and smooth information flow

Your profile.

- Degree in Business Administration, Economics, Human Resources, or a comparable field
- Initial work experience in HR Operations, People Analytics, Compensation & Benefits or a related area is a plus
- High attention to detail and a strong sense of responsibility, with a reliable, structured, and accurate working style
- Strong analytical skills and experience with data analysis and reporting
- Interest in HR processes and data driven work
- Ability and motivation to work in an international and intercultural environment, with openness and curiosity for diverse perspectives
- Strong organizational and communication skills, with the ability to manage multiple tasks and collaborate effectively with different stakeholders
- Proactive mindset, willingness to learn, and enjoyment of contributing to team success and continuous improvement

passionate, humble and life-long eagerly learners.
