

Manager Business Enhancement (m/f/d) - Corporate Finance, Transformation and Turnaround

The **Motherson Group** is one of the 15 largest and sustainable full system solutions providers to the global automotive industry, serving multiple further industries, such as rolling stock, aerospace, medical, IT, and logistics, with over 190,000 employees across 44 countries worldwide. The **Chairman's Office Europe and North Africa (COE)** is supporting and coordinating our operating units, R&D centres, and representative offices across Europe and North Africa with corporate functions and services. Given our fast growth, we are constantly looking for talented new colleagues to become part of our team.

Your tasks.

- Monitoring the performance of the group's business portfolio in Europe & North Africa across all business verticals
- Providing key business and financial highlights to the Motherson management board
- Managing the budget review process of Motherson across all verticals in Europe & North Africa
- Evaluation and execution of business enhancement and value creation concepts across business verticals in Europe & North Africa
- Evaluation of strategic business investments with focus on its financial impacts from short- and long-term perspective in Europe & North Africa
- Free Cash Flow & Working Capital Optimization Programs

What we offer.

The team is growing at the same time our Group grows. Therefore there are many opportunities for you to grow with us!

You will work in a flexible working environment within a multinational team and in contact with all management levels of Motherson.

We show our commitment to our people via the following values:

- **Interest for each other:** We act with empathy and care about each other and about our counterparts.
- **Togetherness:** We work together collaboratively and selflessly.
- **Trust:** Hard to gain and easy to lose, therefore we say what we mean, keep our promises and treat others with respect.
- **Respect:** We respect and value people of all backgrounds. Respect is a common ground we work with each other.
- **Enthusiasm:** We are curious, ambitious, passionate, humble and life-long eagerly learners.

Your profile.

- An above average degree in business administration, preferably a master's in finance, LL.M or CPA
- Strong knowledge in accounting and applied financial theory
- Several years of experience in a corporate finance role in an industrial corporate or a consultancy
- Strong execution experience on end-to-end basis including leading international, cross-functional project teams and dealing with complex business cases in a fast-paced environment
- Strong work ethics, communication skills and a high-level of ownership
- Excellent English & German language skills, additional languages are preferred considering the multi-national environment
- Ability to mentor and motivate teams in a distressed environment
- Pragmatic, hands-on team player
- Flexibility to travel
